

# OutFITters Thrift Store

*Real. Good. Buys.*

July 10, 2018

Dear Supporters:

We're writing you today to let you know that we accepted an offer that we could not refuse, from property developer Steve Duprey, to purchase our 20 S. Main Street/OutFITters Thrift Store Boutique building in Concord.

As you may know, the purpose of our OutFITters Thrift Stores is to be an income source for [Families in Transition-New Horizons](#) in order to help defray the costs of the housing and services the agency provides to families and individuals experiencing homelessness. Unfortunately, our store sales dropped drastically at the start of the recent, two-year, reconstruction of downtown Concord and have never rebounded back to be self-sufficient. This, along with ever-increasing growth of online market places and the strong economy, thrift stores across the country are feeling the pinch.

That being said, we are very proud of our entrepreneurial spirit and our ability to [establish](#) OutFITters Thrift Store Boutique in 2009. We started by selling only women's clothing in our humble 200 square-foot space in Bicentennial Square and expanded to selling clothing, furniture, housewares, books, and more after purchasing 20 S. Main Street, all because of the demand of the community. **It is because of you, our supporters and volunteers, and our dedicated staff that we had a great run at the store!** It was a success that did help to provide housing and services to those most in need in our community.

Effective at the close of business on Saturday, July 28, 2018, OutFITters Thrift Store Boutique will close its doors. We will be open for business through this day and will be having a blowout sale Monday, July 16 – Saturday, July 28, while supplies last. All gift certificates, coupons, vouchers, and loyalty cards issued in Concord are good to use at our OutFITters store in Manchester at 394 Second Street.

Now more than ever, we need your continued support of our [Manchester store](#) so it can continue to support the mission of FIT-NH.

Thank you, from all of us at OutFITters and Families in Transition-New Horizons, for nearly 10 great years in downtown Concord!

Sincerely,

*Maureen Beauregard*
